

Meeting of the Streets, Alleys and Traffic Committee of the City of La Salle
February 25, 2019
6:15 p.m. - City Hall Council Chambers

Chairman Bacidore called the meeting to order at 6:15 p.m.

Present- Alderman Bacidore, Alderman Ptak, Alderman Reynolds, Alderman Herndon, Alderman Sellett

Absent- None

Others Present: Alderman Demes, Alderman Lavieri, Alderman Schneider

A quorum was present.

Chairman Bacidore stated that the first request for parking on one side only of Tonti Street between 7th and 8th Streets came from our plow drivers. They stated that it is difficult for the plows to get through. After discussion, it was concluded that there are many places in town with the same problem and many of the residents in that block would have nowhere to park. Chairman Bacidore took a vote and the committee voted unanimously to deny the request.

In regard to the parking surrounding Jackson School, the committee voted unanimously to leave the parking as it stands. The painted area between the alley and 6th Street on the west side of Bucklin will remain no parking in the area that is painted yellow. All current no parking signage will remain on 6th Street.

Chairman Bacidore stated that he received a request from Jeff Hall, resident on the 1100 Block of Tonti asking for no parking on the west side of Tonti. Mr. Hall indicated that it is difficult for him to back out of his driveway because of how neighbors are parking. Chairman Bacidore stated that he had rode by and observed what Mr. Hall was speaking of, but the committee voted to deny the request because there were not enough cars parked on the west side to warrant making the entire block no parking.

There were no comments or objections from the public.

The meeting was adjourned at 6:24 p.m.

Carrie Brown, City Clerk
